

stockwebsitephotos.net

**this agreement is meant to describe the limited rights you have purchased.
if you have any questions or concerns, please contact us for clarification**

1. the photos within this package are the exclusive property of stockwebsitephotos.net. by purchasing this package, we have transferred you the rights to use these photos for certain personal or commercial uses confined to the internet. you may not use these photos for offline marketing purposes, for example flyers or print advertisements by purchasing this package. if you need photos for this purpose, stockwebsitephotos.net has photos that come with full rights, **this particular package does not.**
2. you may edit, crop and resize these photos as needed. they may only be used on your personal website, websites you build for specific others, and for general internet marketing purposes, for example banners, headers or other general website items that lead back to your personal website or websites that you build for others
3. you may not sell these images or transfer publishing ownership to others.
4. use may not use these photos within web item you sell for a profit. This includes any generic banners, templates, etc.
5. You may use them within a digital ebook as long as it is not an book about photos, and it is protected so that other people cannot lift them from your work.
6. if you are a designer, please encourage your customers to purchase each time you use these images. if you would like to up-sell your clients, we will allow you to sell our images for a commission. if you are interested in such a relationship, please [contact us today](#)
7. if you break this agreement, you forfeit your right to use our photos. we keep track of every single person who has purchased photo rights, and if you continue to use our photos after your rights have been revoked, you agree to pay us \$100 per month, per image that appears on any of your websites or websites you build for others.
8. if you sell our images to others, you agree to pay us \$1,000 per photo or \$5,000, whichever is greater. do not mess with us, we do not like to be stolen from.
